A few documents for your 2024 return

 **Ledgerly**

Hi Mike,

Tax season's underway and I've put together everything I'll need to file Atlas Printing's 2024 return. There's no rush yet — the documents are due **Friday, April 15**, but I wanted to get this to you early so you can gather things at your own pace.

Everything's listed on one page. You can upload as you go — no account or password needed.

Hi Mike,

Thanks for sending those over — you're almost done. To up Atlas Printing's return by **Friday**, I still need:

- ☐ 1099s & 1098s
- ☐ Receipts for deductions
